

# PAINSHILL WHERE THE WALK IS A WORK OF ART

## ACCESSIBLE ROUTE MAP

The accessible route marked, about 1.5 miles (2.4 kilometres) long, avoids the paths with steep slopes that can be encountered throughout the rest of Painshill.

### PLEASE TAKE CARE

Painshill is an historic site and has some areas of uneven surface. Extra care should be taken, especially around the lake edge.

Please note that the entrance to the Grotto (restricted opening times) is narrow and may not accommodate large electric wheelchairs. We have a limited number of manual wheelchairs available free of charge at Painshill, available on a firstcome, first served basis. Please call us to pre-book this service before your visit. Service dogs are admitted into all facilities.

For no additional charge, guided buggy tours are available (limited capacity) if you are registered disabled. It is important to pre-book this service at least 7 days before visiting Painshill.
